The Italian Dolomites lie in the north east of Italy and is one of the most beautiful places in Europe to visit with its natural beauty and diversity, our base for 6-nights is the lovely friendly mountain village of Fai Della Paganella which is an ideal location to explore the Dolomites region.

Thursday We depart for the short channel crossing and our overnight stay in Mannheim, Germany.

Friday We continue our journey passing through beautiful scenery as we cross the Alps into Italy and to our hotel in Fai Della Paganella where we are greeted with a warm welcome and a glass of Prosecco or non-alcoholic drink.

Saturday A leisurely day to relax and explore Fai Della Paganella, why not join our hosts for a gentle walk around this friendly village enjoying a lovely prepared picnic of pizza and wine to get you into the relaxed way of Paganella life in the mountains.

Sunday We travel to the popular Lake Garda with its lakeside historic centre Riva del Garda where we have time to explore before we travel onto a lesser known but incredibly scenic lake Molveno where we stop on the banks of the river before we return to our hotel.

Monday We have a good half day in Fondo with the option of including the Canyon Rio Sass, before returning for some free time at our hotel.

Tuesday The highlight for today is the trip up the Sella Pass to admire the stunning scenery from its viewing platform where we can enjoy a lunch time stop to take in the 360 degree views across the Dolomites' spectacular jagged peaks. We continue our journey down to Cavalese and Ortisei for stops before heading back to our hotel.

Wednesday Today we have arranged a visit to a local Vineyard for a tour and wine tasting, rest of the day is free to relax or enjoy the facilities of our hotel and village.

Thursday We say a fond farewell to our hosts and the Dolomites for our journey over the Alps to Mannheim for our overnight stay.

Friday Departing our hotel we make the journey to the port for the short sea crossing back to the UK and home.
