

Newbury u3a Prize Draw Terms and Conditions

- The Newbury u3a Executive have decided to enhance membership benefits for 2024 by holding a regular prize draw.
- The first draw took place, live at the Newbury u3a Christmas meeting at St Nicolas Church Hall on December 11th, 2023. Subsequent draws will be held at Newbury u3a EC meetings plus the Christmas Tea event in 2024.
- A random number generator (from random.org) will be used to select the membership numbers of two Newbury u3a members.
- Once selected, the membership numbers will be verified by the Newbury u3a Membership Secretary to be current, paid-up members at the time of allocation. Members names will be published in the Newsletter with their written permission.
- The winners will be provided with a voucher that they can use to be reimbursed for the cost of any Newbury u3a day trip or event (including one booked with their place confirmed and paid for, but not yet undertaken) in 2024. This may be extended to 2025 for bookings confirmed in 2024 but to be taken in 2025.
- Members must apply for a day trip or event with the usual booking form and process and the u3a member must be accepted on the day trip or event and pay for the event before the voucher can be used and reimbursement of costs be given.
- The intention is that there will be winning vouchers issued regularly during 2024.
