Fire Procedures at Newcastle U3A, Old Post Office.

OUR EXIT ROUTES AND WHAT TO DO

1.	If you discover a fire: break the glass on the alarm point and call the Fire Service -999
2	Walk to the nearest fire exit. There are 3 alternative fire exit doors. Use any one of them that takes you away from the fire.
3	Group Leaders take the group attendance register
4	Members in wheelchairs need TWO members to help them. Whichever exit is used, one member stays with the disabled member in the foyer while the second goes to the fire marshal to tell him/her about the waiting members.
5	Members using sticks: REMEMBER to take them and they may also need a member's support.
6	Once outside, turn RIGHT and go to the Jazz Café –a place of safety
7	Group Leader take a roll call then report to the fire marshal (Michelle) that all present –OR NOT
8	Do NOT return to the building until the Fire Service or fire marshal gives permission

Using the fire exits beside R1 (Office) or opposite NIWE room (first left passed partition door)

1.	If you discover a fire: sound the alarm and call the Fire Service-999
2	If you hear the alarm and cannot use the front door, use one of the other fire exits
3	Group Leaders take the group attendance register
4	Using the fire doors beside the office or to the left of the partition door, break glass seal on door
5	Behind the door is a corridor. Follow it to double doors then to the front door
6	Outside, down the steps. To open the gate, place hand underneath the cover and push.
7	Turn RIGHT and go to Jazz Café – a place of safety
8	Group Leaders take a roll call then report to fire marshal (Michelle) that all present –OR NOT
9	Do NOT return to the building until the Fire Service or fire marshal gives permission
