NEWMARKET

E-News for October & November 2022

From the Chair

Dear Members

You will see that this newsletter is briefer than issues of the past couple of years.

The committee feel that these colourful magazine style issues were of great value in helping keep everyone in touch over the period when we were unable to meet. However, now that we are meeting regularly, most information can be accessed at group meetings or via our comprehensive website. A special issue may be produced once or twice a year.

The newsletter will continue to show the calendar for the two months following its issue. Short notices will also feature from groups especially where meeting places or subjects vary from month to month, when SGM or AGM meetings are being convened and when events are being planned.

Those without internet facilities will continue to receive a paper copy.

Please let us know your feelings on these changes.

Despite recent sad events we decided to continue with the planned lunch on September 9th. Around 50 of us marked our first year back to 'normal', the 40th Anniversary of the founding of the u3a movement, enjoyed each other's company and a lovely lunch. Details of the next event later in this issue.

Kath Giffkins
