

# u3a northumbria

## **Virtual workshops available on request**

u3as will know that Trust Volunteers and u3a Office staff have devised and prepared a number of virtual workshops. I would like to gauge interest, from u3as in our region, in the u3a Northumbria Events Sub-Committee facilitating one or more of these virtual workshops.

If your Trustees, Group Organisers or other members would be interested in a special u3a Northumbria Virtual Workshop on any of the following topics, please let me know by marking your choice/s below and returning this sheet or telling me in a quick email - as soon as possible and by 25 June 2021 at the latest. Many thanks.

- Trustee Induction
- Alternative ways of meeting – hybrid and other options
- GDPR
- Governance
- Safeguarding
- Diversity and Inclusion
- Communication Bites
- Zoom

What previous participants have said:

"I think it was excellent - very relaxed and everyone had an opportunity to speak whether it was to give their opinion or to ask further questions"

"The session worked well and it was good to see other u3a members and to hear of their issues."

**Kelvin Rushworth (Chair, u3a Northumbria Events Sub-Committee)**
