New talks and courses appear regularly on the Third Age online events page of their website.

These are also posted on the SUN Events page with the booking links.

**For amateur web managers like me:** List the TAT event details manually, open a new word doc and list them as you would enter them in your events page. Go to the TAT online events page and open each event to copy the Eventbrite code at the top and paste it under your text on the Word doc. Then go to your own website and enter the events then the links.

There will be a **Trust Volunteers** week, 11 – 15<sup>th</sup> January. These local volunteers assist in various capacities with publicity, recruitment, advising and starting new U3As, training members etc. Training is available for these roles. More information is due.

NB. **New Logo.** You have to enter a new password to enter the trading area to download the logo.

Merry Christmas Louisa
