Result:

What subjects can one study? - Anything one wants, if there is an Interest group, or one can be formed. At present there are 26 Interest Groups. You can join as many groups as you like. Suggestions for new Interest Groups are always welcome and you will be assisted in forming one.

Who are the professors? - There are no professors or lecturers; we are all students and teachers; we learn from and through each other. You can work to the level you like. Some groups are largely social.

Where do you meet? - Monthly Open meetings: at Penicuik Town Hall; Groups: wherever they like – library, leisure centres, church halls, cafes, restaurants, and homes.

Can I join? How? If you're no longer in full-time employment. As a guest you can come to an Open Meeting in the Town Hall at 2:00pm on the third Thursday of the month, from Sept. - Nov. and Jan. - May or email penicuiku3a@gmail.com
