

## **PONTELAND U3A WALKING GROUPS**

There are currently two walking groups who welcome new members. One meets on alternate Monday mornings and the other on alternate Tuesday mornings giving keen walkers the chance to go out almost every week! The walks are up to 4 miles on Mondays and sometimes a little longer on Tuesdays and always finish with a bite of lunch in suitable hostelry. We are connoisseurs of country eating places! We have explored the coast, the out-of-the-way hamlets and churches, rivers, bluebell woods, hay meadows, heather moors, and feel very privileged to live in such a beautiful county although we sometimes stray into foreign territory, south of the river.

We do welcome men but don't seem to hold onto them. They come and go. Anyone out there? The groups meet at 9.30 in the Memorial Hall car park and arrange lifts. There is a small charge for the passengers. Sometimes we use the Metro and always carry any bus and Metro passes, English Heritage and National Trust membership cards.

Mondays are the second and fourth of the month, Tuesdays are the first and third of the month.

General enquiries should be directed to Gillian Melton, 820864.

Contact for Mondays Muriel Sobo, 871969, and for Tuesdays Lesley Eccleston, 824664.
