

Changing the email address associated with the Blue Bird Icon

To change an email address, log on to your group page. At the first screen on the left hand list of menu items, click on the link for "Change email". On the next screen click the Radio Button next to the word "Change". In the box with the old email address, delete the old and type in the new. Click "Save these contact details" and then log out.

Test it is working OK by clicking on the Blue Bird Icon and send yourself a message.
