

## Vice Chair

The Chair and Vice Chair can decide between themselves the tasks to be undertaken.

It is hoped that the Vice Chair will be prepared to stand for the position of Chair, when the time comes. The position will therefore allow the post holder to become familiar with the running of The Preston and District u3a

The office of Chair or Vice-Chair cannot serve for more than 3 consecutive years without an intervening period of at least one year except that a retiring Vice-Chair may stand immediately for the post of Chair.

### Vice Chair

One of the roles of a Vice Chair is to deputise for the Chair and so he/she will need to be familiar with all necessary procedures and able to assume responsibility at short notice, if required to do so. It would be desirable to attend Monthly Meetings.

- To gain a working knowledge of other committee roles
- To be willing to take some responsibility when committee members are sick or out of post.
- Take overall responsibility for organising the Monthly Meeting

### Confidentiality

Once a committee decision has been reached, committee members are expected to accept and abide by it. Most people recognise that decisions are not always going to be to their liking but that is the nature of democracy. Opinions expressed in meeting should be regarded as confidential.
