WORKSOP WALK ROUTE DESCRIPTION

An easy 8.5 mile walk

An interesting walk with a variety of scenery.

- The walk starts at Kilton Forest Golf Club, Blyth Road, Worksop S81 0TL. Please park in the car park on the left, facing a large grassy area. Toilet facilities are available in the Golf Club.

- We leave the car park into the field, walking roughly parallel to the B6045. At a bridleway, we turn right and follow the track to a junction.
- We turn left and follow the bridleway in the direction of the B6045, turning right just before the road. We continue through a strip of woodland until we meet another bridleway.
- We cross the track and walk into One Hundred Acre Wood, and using the permissive paths, we walk three sides of a square. Coffee stop.
- On exiting the Wood we turn left to rejoin the bridleway. We continue on this track for about 1.5 miles, crossing over a disused runway (WW2).
- We continue into the village of Scofton, situated in Osberton Park, and have lunch beside a ford crossing the river Ryton.
- We retrace our steps to make a visit to the local Church before turning left along a bridleway for the next 2 miles.
- Not long after Ryton Farm we turn right up an unmarked local path through a strip of trees and then enter a small wood. We continue straight on, exiting the wood onto an unmarked path.
- We turn left and follow this path back to the car park.

We are welcome to have drinks in the Golf Club and use their facilities
