

Music in Our Time

Group Leader; Steve Prosser

Venue; Webheath Village Hall

Cost per session; £1.50

Time and Day; 2nd Monday of the month 1.30pm

Music holds the key to many of our memories. Join us listening to the music that accompanied our lives as we grew up; the music on the wireless, on the television, at the cinema or the records that you chose to buy and play. After listening to the music, we often share interesting facts or memories of seeing the artists live.

Each monthly meeting is devoted to a particular theme, artist, composer, genre or instruments. We include jazz, pop, musicals, classical, folk and rock and typically span the 1930's through to the mid 1980's.

Recent themes covered include; film music, folk music, Bob Dylan covers, songs with a Halloween theme, Divas from the 60's and 70's, the sound of woodwind instruments and songs with acoustic guitar introductions.

New members are always welcome. Suggestions for future presentations are encouraged from members.

Attendance is open to all u3a members. To join visit our website. www.u3asites.org.uk/redditch. Or phone **07706 032682**
