

## Rambling

**Group Leader; Joan Davies**

**Venue; Various**

**Cost per session; None**

**Time and Day; 1st Wednesday of the month 10.00am**

The U3A rambling club meets on the first Wednesday of every month, weather permitting, to ramble along circular routes of up to 5 miles. The chosen ramble is led by different people in the group. Each month, the details are emailed round, including the number of stiles and how steep etc, to inform people before they turn up, so they can make a choice to join or not. There is always a coffee break half-way round. Lunch afterwards is optional and is usually taken at a pub from where we set out. Members are encouraged to offer to lead a ramble, usually in pairs, but this is not mandatory. We try to car share where possible and usually meet first at Crabbs Cross car park unless the ramble starts very close to Redditch: this is always stated on the flyer each month.

Attendance is open to all u3a members. To join visit our website. [www.u3asites.org.uk/redditch](http://www.u3asites.org.uk/redditch). Or phone **07706 032682**
