u3a Redditch

Beginner's Guide to Computers

Group Leader; David Pattenden

Venue ; The Bridge, Headless Cross

Cost per session; £1.50

Time and Day; 1st Tuesday of the month 2.00pm

There will be a '**computer help station**' at the monthly 1st-Tuesday Open meetings at The Bridge, Headless Cross. u3a members who have problems with their computers are invited to go along and discuss them with some of the most experienced members of the Computer Users Group. Help can be provided on both hardware and software aspects of computing on Windows and Apple MAC PCs, laptops, iPads and tablets.

Planning is also under way for a short course in '**Computers for Beginners**' probably to run in the autumn;more details available later. If you might be interested in attending these sessions (probably once per week for 6 weeks) please get in touch either at the 1st-Tuesday computer help station at the Bridge, or by email to the Computer Users Group via the Redditch u3a website
