Group Leader; Sylvia Edwards

Cost per session; £1.50

**Time and Day; 1st Tuesday the month

This new group offers you the opportunity to carve some time out of your busy schedule to get together with like-minded textilers and make progress with your own projects, whether they be patchwork and quilting, dress making or any other textile project.

The leader is not an expert and no teaching will be involved but we can offer each other help and general advice. Bring your sewing machine (and extension lead if possible), or sit and hand-sew. Please bring all your own textile or sewing equipment and materials.

Attendance is open to all u3a members. To join visit our website.
