

2 pm on Thursday 7 December 2023 in Scout Hall

2 pm Assemble – pay £2. Less if we can persuade more to join.

Overview of DNA results on “My Heritage” and discussion led by Hilary

Refreshment break (help needed on the day)

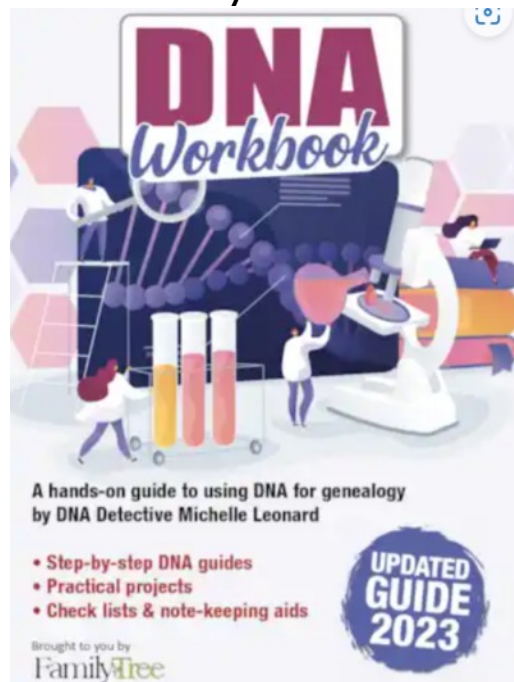

Reminder of the basics followed by questions and discussion led by Ian

4 pm Meeting ends

Our pages on Ringmer u3a Website

We will put useful information and past group newsletters on our web pages. Why not take a look. You can also contact Ian, the Convenor, through our web page. Let us know if you want anything else put there. Here is a [link to our web page](#).

Mentioned by John at last meeting

[Link to see more or buy the book](#)

Many of us use **Facebook** regularly to keep in touch with friends and family. It can also help you with your research when you are looking for relatives. As you would expect there are some specific groups on Facebook which you might like to look at. This is just one site, but let us know if you have found some useful sites for DNA.

DNA Detectives UK

Private group · 6.3K members

Have you Downloaded your Raw Data yet and Uploaded it to another site? Do it now – you might well find some new Matches. Remember Ancestry and 23andMe don't accept uploads from other testing companies, but others do.

As we approach Christmas watch out for special offers from many testing companies.

After our December meeting we will meet again on **Thursday 1 February 2024**
