NEWSPAPER ARCHIVES

Newspaper archives are being digitised at an amazing rate and the British Newspaper Archive, along with others, is adding thousands of records each week. The archives offer an amazing 200+ years of information from international to parochial and from screaming headlines to the mundane. It's a £ to a penny that your ancestors will feature somewhere.

Using research by members, including John Saunders and John Kay, we will look at the archives using cycling as our vehicle (boom, boom). Experience of members will also be very welcome.

ANY IDEAS PLEASE?

REMINDER That the Planning Group meets on the 21st. Please let me have any ideas you might have for future meetings. Thanks.

Any More Ideas?

Given the success of our Christmas social event do you have any ideas please for a summer event in August or a place to visit?
