INTERNATIONAL RESEARCH
Between us in the Group we seem to have ancestors in most countries in the world. We will be looking at how to access their family history records and share the experiences of some members who have done so. We can't look at every country which may interest you but will offer a range to give you an idea of what is available. Our programme will be: -
Canada John Saunders
Italy Tim Polwart
India Randy Scott
Scotland Hilary Smith
Ireland Bob Cains
Elsewhere Other members?
Members of the group are invited to share details of any research they have undertaken.

Family History Magazines
We need any family history magazines that you have finished with please.

Next Month
We will enjoy more "My Story" that is, if we have any stories to tell. We do have a couple left over from the last time and Bob would welcome hearing from anyone else.
