WELCOME

.. back after the summer break to the 45
Members continuing for another year and hello
to the new members Barbara, Lorraine, Mary,
Penny and Rosemary.

HOW WE OPERATE

The group is managed by a small planning team.
We will set the scene for the year with short
presentations from each member. Bob will also
introduce new members to his challenges, which
will set a framework for research, and see how
successful existing members have been in meeting
them (which should be entertaining in itself!). As
usual we ask members for £1 a member each month
to cover expenses and we have a refreshment break.
We will also be giving out new name badges and
encouraging their use each month. We will need
three members each month please for registration
and refreshments and a rota will be passed round. It
is expected that everyone will volunteer once a
year.

PROGRAMME

We have arranged a programme for the next eight
months which will be shared at the meeting. We
are, however, always keen to hear what members
would like covered. **Please tell us.**

Today will be as mentioned and, if there is time,
we will discuss how to get started with research
and invite members to share any particular
problems they have.
