**October meeting on Tuesday 25th in the
Scout Hut at 2.00pm.**

DNA

Ian Loughborough

For the benefit of new members, and those with short term memories, Ian will give a short recap on his introductory session on DNA given last year. He will then consider Y-DNA and its values. If we can get an internet connection, he will show us the new Your Haplogroup and what it shows. Members will then be invited to share their success or otherwise with their Y-DNA results. I know Hilary Smith has had some interesting experiences which she will be sharing, and other contributions will be welcomed. There will be time for questions and discussion.

ADMIN ROTA

Desk: Jilly Mercer

Refreshments:

Julia Hugall
Ken Boot-Handford

NAME BADGES

Please wear your name badges. We have 13 new members this year and it will help them to integrate more easily. We will have five new members present on the 25th who couldn't make the September meeting.

DOMESTIC ARRANGEMENTS

A gentle reminder that it is a £1 each month and that all members are expected to take a turn on the Admin Rota. Family history magazines are also sought for the library table and any FH books you have finished with please. Alan will also be continuing with the buddy arrangements.

Group contact

Please refer all group matters to Bob Cairns at rjandljcairns@btinternet.com Thank you.
