

## GARDEN OUT AND ABOUT TRIP to YORK and CHRISTMAS MARKET 30 November 2023

A snowy cold day dawned but it did not spoil the trip. 34 including 14 non-members set off on time despite the detour in Rotherham! We arrived in a busy York about 11.15 am and all went our separate ways. The Christmas market was in full swing. I visited the Van Gogh Immersive Experience which was very good while others visited the many places of interest. Some had a guided tour of the Minster. Someone even purchased some furniture! I think nearly all of us made a few purchases and ate at various establishments.

Leaving York at 4.15 pm, a long journey home via the M62 and M18 because of traffic problems on the preferred route but a comfy coach and Andy our driver played some Christmas music. There was plenty of chat and everyone seemed to have enjoyed it.
