

TRIBUTE TO SHIRLEY CARVER (d. March 2024)

The Trustees were saddened to learn of the recent death of Shirley Carver and send their condolences to her family and friends. Shirley was a well-liked and talented member of the Monday Art Group who also enjoyed her garden and being on holiday with her friends and will be greatly missed within the group and wider circle.

Shirley will be sadly missed at Monday Art Group. Shirley sat at my table and will be remembered as very quiet, but very pleasant to sit with, a really talented lady in many ways. Not just Art, but also other things. I remember calling in and having a cup of tea with her when she first fell in the garden, but her sense of humour was amazing. She just carried on and said I'll be back, and guess what, she was back not long afterwards. Her family must be very proud of her as we all are.

Shirley was a lovely gentle person who loved her art group and was well liked by all. She went on our holiday last year to Tenby. Thoroughly enjoyed it and also won the Bingo which she was very proud of! She will be missed by all of us.

All our love and sympathy to the Family 🌻

Shirley loved to show myself and Christine around her beautiful garden of which she was very proud and knew all the names of the plants. She was an amazing painter. One of her paintings she sent to Monty Don. My favourite painting was the Potting Shed. I sat next to Shirley for many years and miss her being there. Shirley loved to go on the trips organised by Norma.
