

STROLLERS WALK AROUND WICKERSLEY 11 NOVEMBER

On 11 November a record number of 20 Strollers enjoyed a Wickersley Wander in perfect sunny weather. A mud-free walk took us along roads and footpaths, through Wickersley Park and St Alban's Churchyard. We included a short time of silent reflection at Wickersley War Memorial. It has been lovely to welcome several new and former members to the group: Angela, Nikki, Jenny, David, Janet, Sue, Janine and Bonita.

Our next walk is to the Winterhill, Kimberworth area and in the new year provisional plans include Meadowhall to Rotherham via canal towpath and Wentworth village.
