

STROLLERS WALK 17 FEBRUARY 2024 – WATH AND MANVERS LAKE

(photos courtesy of Alan Coupe)

The Strollers group enjoyed the mild spring-like weather for their walk around the Wath/ Manvers area beginning with a "viewing" of the mass of lovely snowdrops and crocuses outside Wath-upon-Dearne Church. Although muddy in places, we all successfully negotiated the "top" end of Manvers lake which was as busy as ever with everything from multi-crewed dragon boats to radio controlled models. I always enjoy this walk which I feel gives us a sense of being on holiday!
