We need to keep your information so that we can provide our services to you. In most instances information about your membership will be deleted once your membership ceases. The exceptions to this are instances where there may be legal or insurance circumstances that require information to be held for longer whilst this is investigated or resolved. Where this is the case then the member/s will be informed as to how long the information will be held for and when it is deleted.

### **HOW YOUR INFORMATION CAN BE UPDATED OR CORRECTED**

To ensure the information we hold is accurate and up to date, members need to inform the U3A as to any changes to their personal information. You can do this by contacting the membership secretary at any time. They can be contacted through the website (<https://u3asites.org.uk/rye>) or the secretary at [u3aryesecretary@gmail.com](mailto:u3aryesecretary@gmail.com)

On an annual basis you will have the opportunity to update your information, as required, via the membership renewal process. Should you wish to view the information that the U3A holds on you, you can make this request by contacting the secretary – as detailed above. There may be certain circumstances where we are not able to comply with this request. This would include where the information may contain references to other individuals or for legal, investigative or security reasons. Otherwise we will usually respond within 14 days of the request being made.

### **HOW DO WE STORE YOUR PERSONAL INFORMATION?**

We have in place a range of security safeguards to protect your personal information against loss or theft, as well as unauthorised access, disclosure, copying, use, or modification. Security measures include technological measures such as Secure Socket Layer (SSL) encryption, which creates a secure connection with your browser when you register and login into our online services. The dedicated Rye and District U3A computer on which membership data is stored has a security system installed, is password protected and only accessed by the secretary or an authorised member of the committee and is kept in a secure place.

Your membership information is held on a database spreadsheet and accessed by authorised committee members as appropriate.

### **AVAILABILITY AND CHANGES TO THIS POLICY**

This policy is available on the website or from the secretary. This policy may change from time to time. If we make any material changes we will make members aware of this via the newsletter and the monthly members' meetings.
