The principles of the u3a Movement

The u3a movement is non-religious and non-political and is open to all in their third age, which is defined not by a particular age but by a period in life in which full time employment has ceased.

Members form interest groups covering as wide a range of topics and activities as they desire; by the members, for the members.

No qualifications are sought or offered. Learning is for its own sake, with enjoyment being the prime motive, not qualifications or awards.

There is no distinction between the learners and the teachers; they are all u3a members.

The ethos of self-help is enshrined in the Principles of the u3a movement – each member has a part to play (however small) in the running of each u3a.

If you are happy to share further information about yourself we would be interested to know about your skills and interests. **Please note that all questions are all optional.**

What would you like to learn more about?

Would you be willing to serve a term on the committee now or at a later date?

Would you be willing to form or run an interest group?

Could you offer help in any other way – such as joining the refreshment rota for general meetings or putting out and putting away chairs and equipment?

Please return your application form to: Treasurer, Ryedale u3a, Snowden Cottage, 18 West Street, Swinton, Malton YO17 6SP. If you would like your membership card sent to you by post please enclose a stamped addressed envelope.
