SALTBURN DISTRICT U3A - NATIONAL U3A DAY 2020 - WEDNESDAY 3RD JUNE 2020

GROUP ACTIVITY PROPOSAL FORM

- You may already be aware that our U3A will join with hundreds of others across the UK to celebrate the first annual U3A Day on Wednesday 3rd June this year.
- We are planning to mark this with an Open Day event at Saltburn Community Hall and theatre space.
- As a group leader, we are asking you and your group members to give some thought as to how you would like to contribute; we would like to involve as many people as possible. This could be in the form of an exhibition, display, performance or participative event.
- One of our ideas is to offer a range of quick learning activities that members of the public can try out during a 15-minute period (THINK speed-dating style!) Space for this will be limited so please take this into consideration.
- Would you therefore discuss this event as soon as possible with your group(s) and complete the following draft proposal form? This will enable us to get an outline idea of the types of activities/displays/performances we could put on and the best way/venue in which to hold them. We will then give groups plenty of time to finalise their contributions.
