

Archaeology Group Sarum U3A

The group is shared with Salisbury and Spire U3A and meetings are held in the Salisbury Museum Lecture Hall on the second Tuesday of each month except August between 10.15 and 12 pm. The lectures are usually limited to 50 members. However there is no limit to the number on the group list for sharing Archaeology news and other related matters. Visits to places of interest to the group are also arranged but maybe limited to less than 20 members There is a charge per meeting to cover costs of the speaker and refreshments usually £2.50 but up to £5 for speciality speakers. The more attending the lesser the charge. If you would like more information please contact Malcolm Burrows at mfburrows100@gmail.com or tel 01722 416828 or 07943 697917
