

U3A SALISBURY ARCHAEOLOGY GROUP NOTICE

I am pleased to announce that the group will be returning to our “ancestral home” at the Salisbury Museum for the January 2024 meeting.

We will be one of the first users of the superb new lecture hall and the staff at the museum are very happy for us to again be based at the Museum. The new lecture hall has a much higher capacity than our temporary base at the Rifle Museum and I am now able to increase the group membership.

It is therefore with great pleasure that I can invite up to 20 more U3A members to join our group from January 2024 and of course welcome back those existing members who found our current venue restricting and were reluctant to come along because of this.

Each month from January to April and September to December on the second Tuesday from 10am to 12pm we are entertained by very experienced archaeology lecturers on all manner of archaeology subjects. We welcome members at all levels of expertise from experienced archaeologists to absolute beginners. The charge per meeting for speakers and refreshments is £5. If you are interested in joining the group please send an email to: mfburrows100@gmail.com
