

SILVER SALISBURY PROGRAMME 2019

A programme of events has been co-ordinated by Irene Kohler, Older People's Champion for Salisbury, with the support of grants from Salisbury City Council and Wiltshire Area Boards. This is celebration of International Older People's Day on 1st October 2019.

There is an extensive programme of events being held throughout Salisbury between 20th September and 13th October 2019. This is a chance for older people to meet old friends and make new ones trying out a whole range of free activities at many venues across the city and beyond. The events are generally "just turn up" and usually there will be a cup of tea and cakes on hand.

The whole programme booklet is too large to add to our website but you can see the whole programme by clicking on the link below.

The programme booklet will be circulated to all our members and hard copies will be available at our monthly meetings in August and September.
