

OCTOBER MONTHLY MEETING

TUESDAY 24th OCTOBER 2pm

**How much do we really know about bees and the production of honey?**

This month our Tuesday afternoon talk will be by Ken Basterfield from The Blackbury Honey Farm.

Established in 2010 by Ken, Maureen, and Daniel Basterfield, this family-run honey farm is located locally and caters for locals and tourists alike who love to visit the tea room and wildflower garden as well as the hives and shop.

They believe their 120 hives produce the best honey in East Devon.

**COMMITTEE STUFF**

Welcome to all our new members who joined on Open Day or at the monthly meeting following. The Day was a great success, the weather was wonderful and we had many visitors.

So I would like to thank all those Group Leaders, volunteers and Committee members who very worked hard to make this a successful day. The Group tables looked good and the background music was just right. We signed up 44 new members giving us a total membership of over 200 now.

Learn, Laugh, Live.
