

Monthly Meeting
28th November 2pm

HISTORY OF THE MUSIC HALL

I say I say I say! Our monthly meeting talk on 28th November will be a History of the Music Hall. **Stewart Raine** will give an illustrated talk that looks at the origins of what was 'The People's Entertainment' for over a century and traces its development from its original form through to the 20th century. Stewart will present video extracts and recordings of some of the legendary performers and the theatres they worked in. The talk also looks at the decline of 'Variety' as it came to be called from the 1950s.

COMMITTEE STUFF

Help Needed:

We need volunteers to help put out chairs and clear them away afterwards at our monthly meetings. If you can help, please let Val Nightingale or Maggi Claydon know.

We will shortly be needing four new committee members, particularly someone to take on the role of Secretary – this is extremely important as our u3a will not be able to function if this post is not filled.

The u3a relies on the active participation of its members so please don't hesitate to come forward if you think you can help.

Christmas Lunch

If you are coming to the Christmas lunch on 1st December, please remember to pick up your place cards at the entrance.

A Note from the Chair:

I'm sure you are all aware of the campaign to save **Seaton Hospital**. I am quite involved with this and have been distributing leaflets and gathering signatures on the petition. The volunteers have already delivered 9000 petitions to all the surrounding areas as well as Seaton.

I will be putting a petition on the small table by the tea and biscuits at the next monthly meeting and, if you haven't already done so, I would be very grateful if you could find the time sign it at the end of the meeting.

Thank you, Val Nightingale
