- Batsford's beautiful National Collection of Japanese Flowering Cherries take over as the stars of the show in the arboretum in the Spring. A riot of every shade of pink you can think of amongst the 59 varieties.
  - Batsford is on lists of top 6 and top 10 places to see Cherry Blossoms in UK.
  - Batsford is home to the UK's National Collection of Japanese Flowering Cherries, which encompasses around 70% of all known cultivars. Highlights here include the Yoshino, whose pillowy pink boughs were imported directly from Japan; and the Umineko, which is covered with soft snow-white flowers. The blossom will be in full swing throughout April.
