## Chelsea Physic Garden in London

Cost £37.00 (includes train to London, garden entry, guided garden tour and 2-hour Blue Badge Guided London Walk)

Does not include: Travel within London (tube or bus, meals, drinks)

Since 1673 Chelsea Physic Garden has occupied four acres of land on the edge of the Thames. First established by the Apothecaries in order to grow medicinal plants, this extraordinary garden in London has had wide reaching impact around the world. The Chelsea Physic Garden is London's oldest botanic garden and contains a unique living collection of around 5,000 different edible, useful and medicinal plants that have changed the world. The Garden's location feels special and secret. It is nestled behind walls and positioned close to the River Thames.
