

Knowle Hall Walled Garden, Kenilworth Rd, Knowle

26th June (Wednesday) 2pm – 4pm

Cost £10.00 (entry and refreshments)

- Owned by Hazel Parker and the garden is maintained by the family.
- The Family purchased the “West Wing” of the historic Knowle hall about 20 years ago and raised their children in the large home.
- About 5 years ago, the last descendent of the original family passed away and another large plot of land became available for purchase.
- The Parkers bought this additional land, which included a derelict Walled Garden.
- They worked with family members over the next few years to restore the historic brick walls and all the internal plantings.
- It was opened for the first time this past June 17th for a charity event. Marcia learned of the event from a friend, and off we went.
- The Walled Garden was stunning! Varied colour themes, beautiful roses, a wide variety of plants and flowers. And amazing cakes!
- We asked Hazel (the owner) about a private opening for our group in 2024.
- She has agreed and we are invited on 26th June 2024 . . . with cake of course.
