Let's go somewhere a bit different for a mid-March outing! Situated just three miles from Stratford-Upon-Avon's town centre at Clifford Chambers, this Garden Centre has a large selection of shrubs, bedding and trees along with all the tools, pots and equipment we might need. They also stock a large range of gifts, homewares, toys and garden furniture.

February may be a bit early to purchase summer bedding plants, but it's always nice to dream and plan.

The onsite restaurant, called The Lime Tree, has an extensive menu including freshly brewed teas and coffees, tasty snacks, soups, jacket potatoes, hot and cold freshly made sandwiches, hot classic lunchtime favourites, cakes, cream teas, afternoon tea and our popular signature dish 'Beer Battered Cod and Chips'.

All our dishes are home cooked to order using the finest local ingredients sourced daily from well-known local suppliers.

Pownalls food shop is onsite, with fresh produce and even a deli counter if you want to take something home for your evening meal.
