Singers for General Meeting Thursday 13th July 2023

Our singers for the Thursday 13th July are **The Hoy Shanty Crew**. The Hoy Shanty Crew was formed in 2014 and has performed shanties and other chorus songs to appreciate. Originally based on regular members of The Hoy at Anchor Folk Club, Southend's longest running Folk Club. The Crew quickly became an integral and popular part of the lively folk scene in Essex and has performed at many events and festivals throughout Essex and beyond.

The crew consists of around a dozen mature individuals who enjoy each other's company, singing rousing chorus songs (particularly shanties) whilst toasting their health in real ale drunk from pewter mugs.

Printed copies of the monthly newsletters are available at the meeting,
