

Stanford and District u3a Advance Notice

MARCH 2023

Dear u3a members,

The **General Meeting** is on Thursday 9th March with a talk about the Fire Fighting in the Great War.

Now is the time to **re-join the u3a** if you haven't already done so, and to collect your membership card. Remember that you will have a new number for this year. The membership renewal form is on the website, or you can fill one out at the meeting.

The trip being sold is to visit **Hampton Court** on Thursday 1st June for £45.

The **Cybercrime talk** is an extra meeting on March 30th at 2pm at the Springhouse.

We urgently need people to run new groups. This can be done with more than one leader to spread the load. A new one proposed is for **Guitar playing**; much on the same lines as the current ukulele group. Another much needed one is Playreading. There are already two established groups which are full, but the leaders of these are willing to give help to new leaders of another group.

Please remember to show your membership card at the Springhouse and to mute your phone.

Thank you for your generosity to the Earthquake Fund - we sent £730 after the last General Meeting.

Printed copies of the monthly newsletters are available at the meeting,
