

# Welcome to The Speaker

We look forward to your talk and  
hope that you enjoy your visit

If you are unfamiliar with Somerton or the Edgar Community Hall we have put a map on the next side. A printable version is also on our web site - see below.

You will enter the town on one of the blue roads. Then follow the green route to the hall: this avoids the town centre which is narrow and often congested.

The Edgar Community Hall will be open from about 9.15am.

There should be somebody at the main entrance to greet you on arrival but, if not, please make yourself known and we will ensure that someone introduces you, shows you around the hall and offers to assist you to set up your equipment.

Sometimes the Speaker's equipment is incompatible with that in Edgar Hall so, if you have any doubts, please liaise with the Committee member named below well in advance of your visit

Most importantly - we will make sure that you are offered tea or coffee and biscuits!
