

The June meeting of the Dining Group was held at the Katana Japanese Restaurant on Double Street in Spalding. Ten members met up and enjoyed an excellent meal with great company and pleasant repartee.

Dining Group members met up for the July meeting at the Curry Inn at Quadring. A lovely evening, weather wise, led to an excellent meal from their Tuesday Special menu with a varied conversation including experiences, badinage and future individual events. This group of similar minded and culinary experimenters meet once a month at a venue chosen by an existing member.
