

CREATIVE CRAFTING GROUP INFORMATION SHEET

We meet on the first Tuesday of the month between 10.30am to 12.30pm at The Lucan Pavilion Recreation Ground, The Broadway, Laleham Staines Surrey TW18 1RZ. The venue is a sports clubhouse with disabled access and plenty of free parking spaces.

Each month we do a mini workshop to make a little treasure using a different craft technique. Although the format of the meeting is a mini workshop, the purpose of the group is more for members with an interest in crafting to get together to be creative.

So far little treasures we have made include beaded felt brooches, silk painted cards, stencilled tote bags, Japanese silky gift pouches, handmade books etc.

The cost of joining the group is £3.00 due each September and the cost of each mini workshop is £4.00. This covers the cost of the hall hire and the cost of the materials.

Most of the materials are provided but before any workshop, a list of equipment needed will be sent out. As far as possible we try and keep the equipment simple, little more than a decent sewing kit and a decent papercrafting kit.

Tea and coffee with a biscuit are available at the mini workshop for a voluntary contribution of 50p.

There are a limited number of places for each workshop and because materials have to be bought beforehand, a place needs to be reserved and paid for in advance. This can be done either by paying at the previous mini workshop or seeing the group leader, Lesley at the monthly U3A meeting at the Citadel or sending Lesley a cheque in the post (please contact Lesley for address details).

No experience is needed for any of the mini workshops and you can choose to come to just one, some or all of the workshops. It's entirely up to you.

If you have paid and then have to cancel, then please contact Lesley at the earliest opportunity.

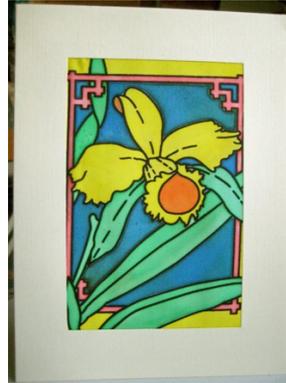

The programme is updated every few months and the details are loaded onto the SU3A K2 website or can be seen at the monthly K2 meeting at the Citadel.

If you would like to join the group, please contact Lesley by clicking the box with the bird image on the SU3A K2 Creative Crafting webpage.
