RISK ASSESSMENT

Please be aware.....

All members are responsible for their own safety within the boundaries of the venue, and must comply with the regulations of the Methodist Church as its guests.

Note: if dancers help themselves to water from the kitchen, they should ensure that any tumblers/mugs etc are washed and returned to the correct place after use.

All members are expected to be aware of any heightened health issues which may affect them and others. If you are feeling unwell, please do not attend. Hand sanitiser will be available for your use if you wish to use it.

The room will be kept well ventilated to protect everyone's health.

For your own safety:

Country Dancing requires members to be close to one another, hold and touch as partners. You will not be asked whether you have been vaccinated, but the assumption is made that you will have followed Government advice and received up to date relevant vaccinations.

All members are required to leave contact details with the leaders in case of emergency.

Please ensure you sign in each time for our own records.

As a recognised u3a activity, all members are insured by the u3a against accident; no liability or responsibility for incidents occurring during sessions is accepted by the Methodist Church.

These notes are provided to comply with u3a guidelines for activities.
