**GIFT AID DECLARATION FOR REGISTERED CHARITY No 1171008**

It is a requirement of the HMRC that we hold separate records for Gift Aid which is a scheme that provides the simplest way ever for members who are UK tax payers to help our U3A.

This would be at no extra cost to yourselves, but would help boost the value of your subscription by 25%.

All members are encouraged to sign below – this could also include your Husband / Wife or Partner providing they are members of our U3A, therefore both of you will be required to sign the declaration.

I want the Stanway U3A to treat all subscriptions I make from the date of this declaration as Gift Aid donations. I / We confirm that I/We pay an amount of Income Tax (or Capital Gains Tax) at least equal to the tax the U3A can claim on my / our subscription.

**I understand that I can cancel this gift aid declaration at any time**
