

Dear Members

I hope you are all keeping well and in good spirits.

The Lock down and Stay safe at home campaign seems to be having a beneficial effect now, so we hope it will soon help to return our lives back to some normality. I hope you are able to read our News sheets 'Keeping in Touch' and that you have found it entertaining and informative- thank you for sending items to our Editor.

There is information on the National News sheet that you can sign up to receive and of course the TAM magazine. There are also virtual groups you can join on the National U3A website that look like fun, Mr Motivator keep fit classes for one! There are also more challenging groups to keep that grey matter bright. There are also items to read on our own Website and our Group pages.

May I remind you of renewal of Membership, I know there are not any meetings to go to at the moment but it would be nice to keep everyone as a Member ready for when we are allowed to get together once more. **The current membership finishes on 24th April**, so if you would like to remain a member and haven't already, please complete your form and send to Pat Orme, or pay using the link from our website, *renew here*.

We are all missing each other's company but it will be all the better for waiting for! Do try some of the online ideas, if nothing else we will all improve our computer skills.

U3A Day is definitely booked for the International Senior Persons Day - 1st October, we are hoping to have a celebratory meeting in the Stourbridge Town Hall. It's good to have a goal and the Organisers will be working hard to make it a real celebration for us all.

Let's hope we will all be well and the situation is better by then.
Please take care of yourselves and keep in touch.

Best wishes

Brenda
