GROUP NEWS

Look at our website - u3asites.org.uk/stourvalley/

It has news and information about all our Interest Groups.

Ukulele Group

The Ukulele Group have continued to grow since the last Newsletter and have added three new members to its number bringing the total membership to twenty-one. We finished the year with a Christmas party which most of the members attended. There is a YouTube video of highlights of the party which can be viewed by inputting **Christmas music played by Ukes3A** into the YouTube search field.

The group now also has a Facebook page, created in the hope of attracting even more new members and this can be found at **Ukes3a ukulele club, East Bergholt, Suffolk**. As a new group Facebook's algorithm doesn't always seem to find us, but the link <https://www.facebook.com/profile.php?id=61555190000167> should take you there.

The Ukulele Group meet on the first and third Wednesday of the month at the Lambe School, East Bergholt from 2.00 p.m. to 4 p.m. New members are always welcome and musical knowledge or previous experience with the ukulele is not necessary. We are a friendly group and there will be somebody there willing to help any prospective player.

Learn something new in 2024 but be warned – ukuleles very addictive.
