

STUDY DAYS AT THE MENUHIN HALL

Surrey Network Study Days – After an eighteen-month gap, study days at The Menuhin Hall re-opened in September 2021. We welcome members to our study days in the hall as in the past, while also making it possible for members to view the study days remotely. We will be following the hall's COVID-security precautions and such requirements may change following government advice.

Advertising & Booking – The practice of applying by post or by email will continue, with booking responses being sent as members chose, while payment can be made by cheque or bank transfer. We have discussed using on-line booking and consider that this is our likely next step, but the workload in setting up the programme for 2022 is our first priority. We advertise the study days with full details and booking forms on our website – <http://u3asites.org.uk/surreyu3anetwork/> and also circulate the information electronically to all U3As in Surrey Network and surrounding areas. In the past we posted booking forms to all those U3As but as the great majority of members have internet access and due to the work involved, we have decided to discontinue that service. We have been electronically circulating a poster suitable for advertising the future programme on display boards or websites and this will continue. The booking fee was £9 when the study days started in 2004 and has been £10 for the last five years. The fee will rise to £12 in 2022 with the virtual attendance fee staying at £5. The fee for visitors will rise to £15. Further information is given below including the booking form, details of the programme and the speaker's background.

Nut Allergies – The Menuhin School has pupils who have an allergic reaction to nuts and the staff have taken the decision to make the school and the Menuhin Hall a nut free environment. Please ensure that your lunch does not contain any trace of nuts.

Disabled Parking – There are six spaces behind the hall and there are more in the main car park. If you have a blue badge and need level access to the hall, then tick Disabled Parking on the booking slip; you will then be allocated a space at the back of the hall and sent a permit. There is a drop-off space where disabled members have level access to the hall.

Wheelchair Spaces – If you need a seat removed in the hall to accommodate a wheelchair then tick Wheelchair on the booking slip.

Appreciation of Team Members and Plea for Support – Over the period of lock-down we were very sad to hear that four team members had passed away due to various causes and we wish to acknowledge the valuable support they gave for many years; Alison Gaitonde, Banstead U3A, John Harbridge, Dorking U3A, Sheila Hill, Fetcham U3A and Sheila Pomfret, Bookham U3A. The study days have been running successfully for seventeen years and new volunteers with ideas for the future programme and the energy to help run the study days will be made very welcome,

UNDERSTANDING TURNER:

THE MAN, HIS LIFE AND HIS WORK

A Study Day on Friday 17th June 2022 at The Menuhin Hall, Stoke d'Abernon

Speaker – Professor Maria Chester

HIS LIFE: Joseph Mallord William Turner was born into a troubled family and destined to become an artist. His father, William, a central figure throughout his life, encouraged him to pursue his ambitions. Turner's relationships, character, dreams, notes, poems, lead to our own portrait of Turner, helping us to understand the man, what we perceive from his everyday life leads to the second talk. He loved to travel and we are lucky to be able to follow him in his trips thanks to his notes on the sketches, citing places and dates.

HIS WORK: We owe him a new approach to landscape, and new techniques, applied mostly to watercolours. He added songs and poems to his paintings to reinforce their meaning. He was almost a story-teller who knew exactly what to show and how to show it. He applied everything he experienced in his paintings. Together with "Understanding Turner: the man and his life" this talk aims to leave a permanent impression about one of our great British artists of all times: Joseph Mallord William Turner.

Turner was a contradiction in himself: born in Covent Garden at the centre of London he became one of the most important British landscape painters. In the 19th century, he became the most recognisable British artist abroad.

The Menuhin School was founded in 1963 in London and moved to its present site in 1964. It has about 80 pupils learning to play stringed instruments including piano and is financed, in part, by the DfE. Lord Menuhin was born in New York on 22nd April 1916 and died on 12th March 1999 in Berlin. His parents had come from Russia. His first public concert was in March 1924 and his first in Europe, in Paris, in 1927. His performance of Elgar's Violin Concerto was recorded at the Abbey Road Studios in 1932. The Hall, designed by Mark Foley, was conceived as a memorial to Yehudi and was handed over to the school on 5th August 2005. The official opening was on 7th January 2006. Yehudi is buried by the stone pillar in front of the Hall. Nearby is an oak which he planted on his 80th birthday. The Hall was first used for a Surrey Network Study Day on 14th October 2005.
