

Biographical Information about our Speakers

Dr John Ash is a former Royal Navy submariner and oceanographer. He was involved in the collection of data in the Arctic Ocean to support the study of thinning in the polar ice pack – some of the earliest evidence of climate change. Selected to lead a team of Russian researchers at Cambridge University examining radionuclide pollution in the Northern Seas, he has also held a British Safety Council Fellowship at the Judge Institute of Management Studies at the University of Cambridge. John's peer-reviewed publications address topics including climate change and conflict in the Arctic, the relationship between Arctic fisheries protection and sovereignty, and the security implications of Greenlandic independence. An Associate Professor at UiT, Norway's Arctic University, John has presented oral evidence before the House of Commons Defence Sub-Committee examining UK defence in the Arctic.

Bob Headland is a senior associate of SPRI. His work concerns human effects on Polar Regions, especially the smaller islands and archipelagos. Archival details and other historical records – from the earliest expeditions to recent events – have allowed him to provide data for studies of long periods of climatic variation with glaciological and biological changes in the Polar Regions. An advisor to several expeditionary organizations and departments of government, Bob is also a fellow of the Royal Geographical Society and a member of the Institute for Historical Research, University of London, where he delivers lectures for several courses. The author of several books and papers on polar subjects, Bob is a member of both the Arctic Club and the Antarctic Club. He was awarded the Polar Medal in 1984.

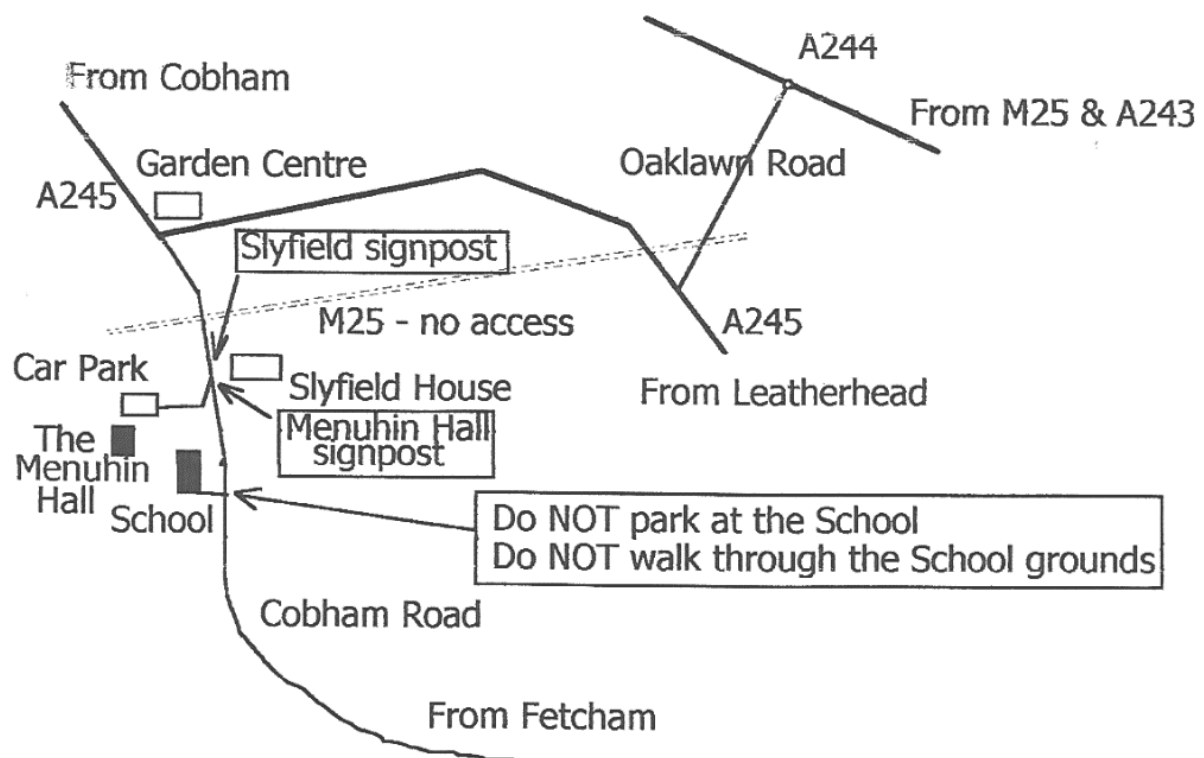

Location & Contact Details for Study Day

The Menuhin Hall, Cobham Road, Stoke d'Abernon, Surrey KT11 3QQ

Map Ref: TQ 132 579 on Landranger 187 & Explorer 146

Telephone 07763 805046 (Emergency – On-Day-Only) or Menuhin Hall Office 08700 842020

There is a Garden Centre (01932 862530), about 800 metres to the north of the Menuhin Hall where light lunches are available. Reservations are not required.

The Menuhin School was founded in London and moved to its present site in 1964. It has around eighty pupils learning to play stringed instruments including piano and is financed, in part, by the DfE. Lord Menuhin was born in New York on 22nd April 1916 and died on 12th March 1999 in Berlin. His parents had come from Russia. His first public concert was in March 1924 and his first in Europe, in Paris, in 1927. His performance of Elgar's Violin Concerto was recorded at the Abbey Road Studios in 1932. The Hall, designed by Mark Foley, was conceived as a memorial to Yehudi and was handed over to the school on 5th August 2005. The official opening was on 7th January 2006. Yehudi is buried by the stone pillar in front of the Hall. Nearby is an oak which he planted on his 80th birthday. The Hall was first used for a Surrey Network Study Day on 14th October 2005.

Study Days at the Menuhin Hall

Surrey Network Study Days – After an eighteen-month gap, study days at The Menuhin Hall resumed in September 2021. We welcome members to our study days in the hall, as in the past, while also making it possible to view the study days remotely.

Advertising & Booking – The practice of applying by post or by email will continue, with booking responses being sent as members chose, while payment can be made by cheque or bank transfer. We have discussed using on-line booking and consider that this is our likely next step, but the workload in setting up the programme for 2023 is our first priority. We advertise the study days with full details and booking forms on our website – <http://u3asites.org.uk/surreyu3anetwork/> and circulate the information electronically to all u3as in Surrey Network and surrounding areas. In the past we posted booking forms to all those u3as but as the great majority of members have internet access and due to the work involved, we have decided to discontinue that service. We have been electronically circulating a poster suitable for advertising the future programme on display boards or websites and this will continue. The booking fee was £9 when the study days started in 2004 and has been £10 for the last five years. The fee rose to £12 in 2022. The fee for virtual attendance fee will rise to the same figure in 2023 to enable us to cover our costs. The fee for guests will remain at £15. Further information is given above, including the booking form, details of the programme and the speaker's background.

Nut Allergies – The Menuhin School has pupils who have an allergic reaction to nuts and the staff have taken the decision to make the school and the Menuhin Hall a nut-free environment. Please ensure that your lunch does not contain any trace of nuts.

Disabled Parking – There are six spaces behind the hall and there are more in the main car park. If you have a blue badge and need level access to the hall, then tick Disabled Parking on the booking slip; you will then be allocated a space at the back of the hall and sent a permit. There is a drop-off space where disabled members have level access to the hall.

Wheelchair Spaces – If you need a seat removed in the hall to accommodate a wheelchair then tick Wheelchair on the booking slip.

Appreciation of Team Members and Plea for Support – Over the period of lock-down and more recently we were very sad to hear that five team members had passed away due to various causes and we wish to acknowledge the valuable support they gave for many years; Arthur Browne, Horley u3a, Alison Gaitonde, Banstead u3a, John Harbridge, Dorking u3a, Sheila Hill, Fetcham u3a and Sheila Pomfret, Bookham u3a. The study days have been running successfully for eighteen years and new volunteers with ideas for the future programme and the energy to help run the study days will be made very welcome. Our website is based on the u3a software Site Builder, and as a transfer to a new system is required in 2023 some extra support for the website would be very welcome.

Please contact Surrey Network Chairman, Cher Palmer, on 01293 784313 with offers of help.

Surrey u3a Network Study Day

The Story of Polar Exploration & Arctic Frontiers in a Changing Climate *Presented by John Ash & Robert Headland*

*Robert Peary & sledge party
with flags at the North Pole*

The Menuhin Hall, Stoke d'Abernon
Friday 21st April at 10am
9.30am Registration – Tea/Coffee in Intervals
