

Amelia B. Edwards – A Great Forgotten Victorian Against the Odds – Writer & Accidental Egyptologist

A Study Day on Friday 17th February 2023 at The Menuhin Hall, Stoke d'Abernon

Speaker – Clive Barham Carter

Amelia B. Edwards (1831–1892) was an English novelist, journalist, traveller, and Egyptologist. Edwards toured Egypt in the winter of 1873–1874, experiencing a fascination with the land and its cultures, ancient and modern. Journeying southwards from Cairo in a hired dahabiyeh (manned houseboat) she and a companion visited Philae and ultimately reached Abu Simbel, where they remained for six weeks. Edwards wrote a successful, self-illustrated description of her Nile voyage entitled “A Thousand Miles up the Nile” (1877). Her travels in Egypt made her aware of increasing threats to ancient monuments from tourism and modern development. She set out to hinder these through public awareness and scientific endeavour, becoming an advocate for research and preservation of them. In 1882, she co-founded the Egypt Exploration Fund with Reginald Stuart Poole, a curator at the British Museum. Edwards became joint Honorary Secretary of the Fund until her death. She gained the nickname “Godmother of Egyptology” for her contribution.

Biographical Information about our Speaker

Clive Barham Carter studied Egyptology at Cambridge (as the only undergraduate). He was awarded a scholarship with the Egypt Exploration Society to dig at Saqqara under Professor Walter Emery. Later, he joined the staff at Charterhouse as a History teacher, a position he accepted with some trepidation, having been a pupil there. He managed to maintain his interest in Ancient Egypt by lecturing at the City Literary Institute, and by sneaking Egypt into his General Studies classes. In retirement, he has returned to his enthusiasm for Ancient Egypt and now lectures at the Guildford Institute, and for u3as, local groups and museums. He is an accredited lecturer with The Arts Society.

The Menuhin School was founded in 1962 in London and moved to its present site in 1964. It has around eighty pupils learning to play stringed instruments including piano and is financed, in part, by the DfE. Lord Menuhin was born in New York on 22nd April 1916 and died on 12th March 1999 in Berlin. His parents had come from Russia. His first public concert was in March 1924 and his first in Europe, in Paris, in 1927. His performance of Elgar's Violin Concerto was recorded at the Abbey Road Studios in 1932. The Hall, designed by Mark Foley, was conceived as a memorial to Yehudi and was handed over to the school on 5th August 2005. The official opening was on 7th January 2006. Yehudi is buried by the stone pillar in front of the Hall. Nearby is an oak which he planted on his 80th birthday. The Hall was first used for a Surrey Network Study Day on 14th October 2005.

Study Days at the Menuhin Hall

Surrey Network Study Days – After an eighteen-month gap, study days at The Menuhin Hall resumed in September 2021. We welcome members to our study days in the hall, as in the past, while also making it possible to view the study days remotely.

Advertising & Booking – The practice of applying by post or by email will continue, with booking responses being sent as members chose, while payment can be made by cheque or bank transfer. We have discussed using on-line booking and consider that this is our likely next step, but the workload in setting up the programme for 2023 is our first priority. We advertise the study days with full details and booking forms on our website – <http://u3asites.org.uk/surreyu3anetwork/> and circulate the information electronically to all u3as in Surrey Network and surrounding areas. In the past we posted booking forms to all those u3as but as the great majority of members have internet access and due to the work involved, we have decided to discontinue that service. We have been electronically circulating a poster suitable for advertising the future programme on display boards or websites and this will continue. The booking fee was £9 when the study days started in 2004 and has been £10 for the last five years. The fee rose to £12 in 2022. The fee for virtual attendance fee will rise to the same figure in 2023 to enable us to cover our costs. The fee for guests will remain at £15. Further information is given above, including the booking form, details of the programme and the speaker's background.

Nut Allergies – The Menuhin School has pupils who have an allergic reaction to nuts and the staff have taken the decision to make the school and the Menuhin Hall a nut-free environment. Please ensure that your lunch does not contain any trace of nuts.

Disabled Parking – There are six spaces behind the hall and there are more in the main car park. If you have a blue badge and need level access to the hall, then tick Disabled Parking on the booking slip; you will then be allocated a space at the back of the hall and sent a permit. There is a drop-off space where disabled members have level access to the hall.

Wheelchair Spaces – If you need a seat removed in the hall to accommodate a wheelchair then tick Wheelchair on the booking slip.

Appreciation of Team Members and Plea for Support – Over the period of lock-down and more recently we were very sad to hear that five team members had passed away due to various causes and we wish to acknowledge the valuable support they gave for many years; Arthur Browne, Horley u3a, Alison Gaitonde, Banstead u3a, John Harbridge, Dorking u3a, Sheila Hill, Fetcham u3a and Sheila Pomfret, Bookham u3a. The study days have been running successfully for eighteen years and new volunteers with ideas for the future programme and the energy to help run the study days will be made very welcome. Our website is based on the u3a software Site Builder, and as a transfer to a new system is required in 2023 some extra support for the website would be very welcome.

Please contact Surrey Network Chairman, Cher Palmer, on 01293 784313 with offers of help.
