

Update October 2020

SUN Fees. The committee (SEC) is aware that many U3As are struggling with a drop in membership and income under the current social restrictions. Consequently, they have voted to cancel fee payment, due early this year for 2021, as Sun currently has sufficient funds. Please inform your Treasurer.

Reps Meetings. We will be contacting U3A representatives and Chairs of the cluster groups for smaller meetings later this month and onto in November via Zoom. We now have a Zoom account so can have longer meetings.

New South East Trustee. From September, Susie Berry, from Thames Valley Network, (07966 132738) is the new regional trustee replacing Bob Duckmanton. I have requested an official email from her which I will circulate once it arrives.

Zoom Help. TAT still offer free tutorials for different roles via their national website.

SUN Study Days. We are planning to trial a Zoom based study day – well, morning actually, with 2 related talks from a speaker on a general topic. We hope this will be held on Saturday 28th November. Details of speaker and booking to be emailed ASAP.

TAT National Zoom Talks. These free events can be booked by links on the SUN Events webpage or the TAT website. For November:

- **Maths on the Back of an Envelope** at 2 - 3.30pm on Monday 9th Nov.
- **Maths Problems & Puzzles Workshop** at 2 - 3pm on Wednesday 11th Nov.
- **Maths Activities and Games** at 2 - 3pm on Friday 13th Nov.

Look out for further events.

Louisa Sewell SEC secretary
