

SUN JANUARY 2022 TALK:

We are proud to present **Kevin Gordon** for our SUN-Zoom Talk

“THE LOST VILLAGE OF TIDEMILLS”

On Saturday 15 January 2022 at START 11am-Midday

Today, there is not much to see of the village of Tidemills which once stood between Newhaven and Seaford, but I have gathered a wealth of pictures and first-hand information about this thriving community with its mill, children’s hospital and racing stables. The village lasted from the 18th Century until the Second World War when it was demolished.
